

TAPOVAN VIDHYALAY AHMEDABAD
(ANNUAL REPORT) 2019-20

A very good morning to our respected Chairman Sir, High profile Dignitaries, The honourable Trustees, the Principal and honourable invited Guests, the Teachers, Parents and all my dear Students.

- It is indeed a great moment of joy for all of us to present the first Annual Report of Tapovan Vidhaylay Ahmedabad, even though it is towards the culmination of the third academic year 2019-20.
- We started the journey with the inception of the school in the year 2017 and sailing our ship towards the Academic Year 2020-21 by sheer hard work, perseverance, vision and good will of all.
- A journey started with the blessings of Pujya Gurudev , We started with 400 students in 2017 and by the grace of Guru Maharaj, the strength of “VEER BALAKO” has increased to some 600+ students.
- Tapovan Vidhaylay has emerged as an eminent Brand Ambassador in the field of education__ “where education meets values”. We have been able to spread our wings of knowledge not only in the most talked about ‘citadel of learning’ at Navsari, but also in other places in a row with in few years. The first being in NAVSARI, next at

BHAYANDHAR, followed by JAMNAGAR, BHIWANDI and AHMEDABAD.

- All this is self explanatory of “where education meets values”
- All the five schools of TAPOVAN are monitored and channelized simultaneously in academics, activities and value-oriented approach to learning. All this is possible, due to the great support and co- operation of the Trustees, Teachers, Administrative Staff ,Students and above all the Parents. We are the five strong consolidated pillars of Tapovan.
- Education, being a very important aspect of life, is the need of the hour to educate the minds and hearts of every student.
- Our school has not only put in a lot of efforts to bring out the best in every student but also kindled the flame of undying faith in GOD. We also taught ‘to bounce back in the setbacks of life with more gusto and wisdom’.
- Most of the students have proved their mettle in various curriculum.

- Definitely, our students will be groomed to be 'a force to reckon with in futuristic society'.
- Our students have not only excelled in various activities, but also, in the celebration of 15th August, 26th January. It was the talk of the town and highly applauded by the Parents.
