

# TAPOVAN VIDHYALAY

## ANNUAL REPORT 2020-21

### PRANAAM TO ALL

It gives us great happiness to present Annual Report of Tapovan Vidhyalay Ahmedabad even though tormented by the unexpected Pandemic outbreak all over the world.

We, the team of Tapovan Vidhyalay Ahmedabad, rose up to the need of hour after treating the problem of adjusting to the worst Pandemic conditions, fear and other such challenges in the field of education.

We started the academic online session as per the guideline given by CBSE and the State Government. Though the teachers rediscovered themselves as an educator with the help of online session, yet their spirit to do the best didn't lag behind. During the virtual classroom teaching, the teachers undauntingly reinvented their teaching methods to make the session very interesting and made learning fun.

They conducted experiment in Science to clarify the concepts to the students during the online- sessions.

a-How to use dyes and our respective students coloured their scarves and stoles.

b- They even tried their hand to weave cloth, to understand the concept of hand-woven- clothes.

c-The teachers showed them to test starch by treating with chemical.

d-Showed them magnets to classify metals and non-metals.

e-Performed the dissection of hibiscus-flower to teach the various parts of a flower and also demonstrated the various parts of a leaf.

f-Most of our teachers clarified the concepts by uploading PDFs related to the topics given in the syllabus.

g-The different stages of germination was indeed a great success .

Teachers for Maths, English, Hindi Gujarati, Science, Social Studies, conducted quiz and oral tests too.

Teachers for Drawing, Art and Craft, Physical Education and Music were also not lagging behind to enhance the students skills and hidden talent. International Yoga Day was celebrated and so was the International Music Day on the same day

Mock Tests were conducted to sensitize the students and parents about the new type of exam. We conducted online exam and all the teachers did supervision duefully. The students made many important projects given in their text books. Not only these we celebrated Guru Dashmi , Card making activity, Ashtprakari Puja, Saraswati Vandana & Vasant Panchmi. Above all, our students celebrated Guru Purnima and other such value generating activities .

Indeed it was a new type of Learning, Leaching, Evaluation and Analyzing as what worked and what did not work ,only to evolve further in the areas of concern, implementing for further smoother-implementation.
