We have not found any clarification that whether this applicant school has collected two months term fees over and above the fees determined by the committee or not.

Expenditure on Maintenance, Expenditure on Transport, Expenditure on Uniform, Expenditure on House keeping, Expenditure on examination and Miscellaneous Expenditure etc. are either higher sides and not justifiable because they are either excess or without explanation hence found disallowable and not for education purpose. And by considering the strength of the student's it is found that the proposed fee structure is not found satisfactory.
