

Annual Report

Academic Achievement : 2023-24

MISSION

Our mission is underpinned by a belief to nurture in children the values of Innocence, Wisdom, Creativity, Spontaneity, Inner-balance, Inner-peace, Self-Discipline, Compassion, Fearlessness, Collectivity Detachment, Humanity and Forgiveness.

VISION

To nurture children to make them loyal towards their Parents and God.

To lay the foundation of noble character with moral integrity, brotherhood, patriotism, charity and sacrifice in the young minds so that they grow fearless, tactful, proud, confident and strong as ideal leaders who can shape the destiny of Society and Nation.

To inculcate loyalty and strong devotion to protect Religion, Culture and Tradition.

Tapovan Vidhyalay is inspired by Pujya Gurudev SHRI CHANDRASHEKHAR VIJAYJI MAHARAJ SAHEB, who was among the first to believe that the revolution comes on the shoulders of the YOUTH.

Tapovan Vidhyalay is a unique and creative educational venture of VARDHMAN SANSKAR DHAM, a well -known and well-established Charitable Trust in Mumbai.

Inter-House Activities:

The house system is an integral part of school life. Inter house activities allow students to develop skills in a variety of areas including academics, debate, music and others. It inculcate the spirit of healthy competitions among students within the school.

Assemblies:

Assemblies serve as a valuable assets for a school by promoting a sense of unity, confidence in students, improvement in communication skills, and strengthen the healthy school culture that binds everyone together. To connect with self and god through Morning Prayer. To impart discipline in the lifestyle of students.

This year following celebrations done :

Academic Achievement

Tapovan Vidhyalay has achieved an extra-ordinary milestone in the field of Education, Environmental Education, Sports, Innovation, Overall Result, P.T.A and other activities.

Educational Achievement:

It refers to the measurable outcomes and accomplishments of students in various academic areas.

This can encompass a range of indicators, including:

Science:

Students have understood the concept principle and working of different models and experimentations not only through the usage of E-content but also practically performing each and every experiment in the science laboratory.

Mathematics:

Students have learnt the concept of algebra, geometry, number theory, statistics, probability and trigonometry. Students got hands-on

experience to understand the basic concepts of mathematics and scope for new innovation.

Computer:

Computer labs are essential components of educational institutes and workplaces in order to update the students in this technological era with digital literacy skills we teach them - python, coding language , animations , photoshop, Microsoft and A.I. with practical demonstrations.

Language :

We offer 4 different languages - English, Gujarati, Hindi and Sanskrit. Literacy refers to the ability to read, write, listen, and speak effectively using the medium of the language.

Moral:

We educate the student's moral values which guides them to make better living. Inculcating moral values is a lifelong process, and it requires consistency, patience and commitment in the students.

Environmental Education:

Tapovan Vidhyalay has always believed the term "Cleanliness is next to Godliness" and hence we emphasized the importance and the moral duty of each one of us to keep the environment utmost clean amongst the students, teaching and non-teaching staff of Tapovan Vidhyalay - Ahmedabad.

Sports Achievement:

Sports are very essential for every human life. It inculcate the spirit of positive challenges among the students. It focuses on the Discipline, Mental Health, Team work, Leadership, Time Management, and Overall Fitness. The students are actively in Taekwondo,

Gymnastics, Skating, Hockey, Badminton and other On-Field sports activities.

Innovation :

Innovation in classroom learning encompasses a variety of instructional strategies aimed at increasing student engagement, developing creativity, encouraging collaboration, and deepening understanding through the use of real-world. Here the students are taught with the E-Content and Demonstrative Method.

- ✚ Educational Field Trip was organised to the Vidhan Sabha in Gandhinagar.
- ✚ Our Students presented the explanation of concept in each and every subject through P.P.T and live Demonstration in subject like Science and S.S.T were conducted.
- ✚ Our School had organized a Science Fair to educate and engage students and individuals by showcasing and explaining concepts, discoveries, innovations, and experiments.
- ✚ The goal to arrange Food Festival in school was to offer excellent opportunities, embracing extra-ordinary talents of students and also to perform charity with the collection of amounts.

Overall Results:

The involvement of Students, Parents and teachers has increased and improved. Within a very short span of time, the graph of achievement has reached to its peak.

Parents Teachers Association:

Tapovan Vidhyalay had and is still progressing with the PTA meetings regularly for the betterment of the student. Here parents are allowed to keep their questions, doubts and area of concern so that we can look into the matter and can bring needful into reality.

Other Activities:

Tapovan Vidhyalay never fails to provide platform for the students in the development of social skills, cultural skills and also in communication skills.

- ✚ The Annual Function builds a sense of teamwork, responsibility and also fostering a vibrant school spirit.
- ✚ Ashtaprakari Pooja was organized to imprint the values, rituals and promoting to have high self-esteem of our past rich heritage.

THANK YOU
